The Carlstadt News.

THE TOWN WITH A TERRITORY

Volume IV

CARLSTADT, ALBERTA, THURSDAY, JUNE 24, 1915

No. 27

N. E. Stuart will act as Manager of the Alderson Celebration on July 12th. The Committee Chairman are as follows:
Program—F. E. McDiamid.

PERSONAL AND SOCIAL

According to the Canadian Pacific Official notice the name of the depot here changed to Alderson on the 22nd.

The W. A. will hold its next meeting at the residence of Mrs. A. Cole on Wednesday, June 30.

W. H. McEwan and wife and daughter of Medicine Hat visited Mr. and Mrs. F. L. Brown on Monday.

John B. Goehring had his engine and crew at work last week at W. G. Scollard's homestead. This week he was generous enough to give his services on the town streets.

Mrs. Shafer of Helena Montana is visiting her daughter Mrs. H. C. Harrison.

Messrs Lester Hanson and Francis Goehring are in Edmonton and will bring back a carload of horses.

A cablegram received in Medicine Hat announced the safe arrival of the Third Mounted Rifles in England.

B. Morrison, general manager of the Finlay Lumber Co., visited the local agency on Monday. Read the firms announcement in this week's issue.

L. M. Cole left for his home in Merryfield, Saskatchewan, on Tuesday evening.

Rev. J. P. Westman, of Calgary, delighted a fine audience at the Methodist Church on Sunday evening. On Monday in the Adnan Hall he delivered a lecture on the Liquor Act. Mr. Westman was motored to Suffield on Tuesday in N. E. Stuart's car.

After trying in vain for several years, George Beattie, at only 12 foot depth, secured a fine flow of water on his homestead.

On Sunday next, Loyalty Sunday, the children of the Methodist Sunday School will give a Patriotic Service, at 11 a.m., to which all adults, as well as children are invited.

Chas. Goddard, of Jenner, was in town Monday.

Morton Peters has returned from a visit to his home in Kenex.

L. M. Cole, Merryfield, Sask.; J. Russell, Carlstadt; J. Barry, Tide Lake; C. W. Goddard, Jenner, are new subscribers to the News.

Messrs Crosby and Ellington, of Assiniboia Music Co., Medicine Hat, were in town on Monday. Mr. Crosby spent the day busily tuning pianos, and Mr. Ellington, the salesman, sold several fine gramophones in town.

Harry W. Johnson has been appointed Returning Officer for the Prohibition Vote.

Among the farmers engaged with their teams on the town streets, we noticed Messrs Jones, Ames, Dickson, Kaldstad, Earl Cole and Mr. Cole sr.

Miss Florence Mackenzie returned to town on Wednesday from a motor trip to Kenex. She has as her guests the Misses Margaret and Ethel Peters of Kenex.

Busy on Roads

Messrs Stuart, Scollard, Drummond and Johnson of the Improvement Association have a big gang of men and teams at work grading and generally improving the town streets. All the streets are receiving the same attention. As this work is all voluntary by the good farmers engaged the gratitude of all citizens is due them. J. M. Foughty is in charge.

Presentation to Mrs. Clysedale

A large number of the members of the Methodist Church met last night for a Social evening with Mr. and Mrs. Clysedale, prior to their departure for the east. Mr. N. E. Stuart presided over the function and during the evening Mrs. A. E. Ames on behalf of the Ladies Aid dozen silver spoons of handsome design. The following took part in the programme—The Misses Leitch Ames and Harrison, Mrs. Clysedale and Mrs. McKinnon and Messrs. Thornton and Clysedale. A few of the gentlemen present, including Messrs Brigham, Leitch, Stevens and Beatty made short speeches of appreciation of Mr. Clysedale and his work, to which he made a neat reply.

Peerless

(Last week's letter)

A. W. McKellar left for a short stay in Redfield and Medicine Hat. Mr. and Mrs. B. Kay and family of Jenner, N. S. Nelson and A. I. Robertson, were Sunday visitors at J. L. Brown's.

- And still it rains? From 3 a.m. 2nd inst. to 7 p.m. 2nd inst., it precipitated 3 1/2 inches on your scribe's place; and that was nothing compared to what water fell the previous day in the High Valley and Jenner districts. Pretty soon they will be able to operate their submersibles! We have had more rain in the past three weeks than our average annual rainfall amounts to.

H. W. Wiseman has returned to Peerless after a fruitless search for employment. He reports "work prospects dull, but fine looking crops all the way to Calgary."

Royal

Rain, rain! Just see the wheat grow in 1915. But see smiles on the farmers faces while pulling weeds.

F. B. Flanders and family, Homer Medcalf, E. F. Flanders and Oscar Dahl spent Sunday at H. E. Kimball's.

John R. Kimball arrived home from Athabasca Landing on Thursday where he spent the winter. After trying to drive to Peace River he turned back on account of bad roads—or really no roads at all—and looks happy now that he is in God's country again.

Ivor Holts is busy fighting weeds, and there are some homesteads near here that need the same medicine. If we have a weed law why are some obliged to fight the weeds when the big farms are raising tons of seed to scatter over the country; and at the same time let the homesteaders how to farm.

Frank Hopkinson has sold his farm and gone to Lethbridge.

Hugo Smith writes from Minot.

Card of Thanks

Mr. and Mrs. T. L. Askew, and family wish to thank their many Carlstadt friends for their many kind and sympathizing words conveyed to them in their late sad bereavement, in the death of their daughter Maude; also their White Lake friends, who so kindly assisted them in the last hours of her illness.

Jenner

(Last week's letter)

Jenner has had a good share of rain this year.

The crops are looking extremely well, and stout rye headed out well, and wheat, oats and flax will yield near their true status.

T. L. Owens, of Howie, was in Jenner transacting business this week.

John Laid and Mr. Thomas, U. F.A. were in town Wednesday from Blue Grass.

W. A. Bond, manager of the Union Bank here, is away for a few days in the East country on a business tour.

We are going to have a big day on July 1st, and all trails lead there that day. Everybody come and have a good pleasure leaving time.

Dick Beade, of the Vee Bar Vee Ranch, was in town Monday.

We pity the unfortunate man who lost his train Friday last and had to walk to Empress. Nuff said!

Wm. Maxie has opened up his hotel and is now serving meals.

We all hope soon to have a bi-weekly mail service by train. The authorities at Ottawa have at last asked for tenders to carry mail to and from the trains. This is a move in the right direction.

When is that other store coming in?

The boys were out riding Sunday but so were the mosquitoes.

N. D. that he has secured a job there, and wants some breaking done on his farm N.E. of Carlstadt.

THURSDAY, JUNE 24 1915

ON July First, as announced last week in this paper, the name of our fair town becomes ALDERSON; as a compliment to the brave head of the Canadian Forces at present fighting in Flanders. Let everything good come to the town of Alderson. As patriots we also wish success to the arms of General Alderson.

WE would advise any firms who have placed orders during the past few months for 1916 calendars, that they notify the firms making up the goods, of the change of the town's name.

JULY 12th is Alderson's Big Day. Without varying one iota from the truth, we can say it will eclipse anything ever pulled off in town as a celebration. The Big Program is entirely free. The prizes are really worth while this year. Watch for ads. and posters.

Good-bye Old "Carlstadt News."—The Staff.

Buy an Irrigated Farm FROM THE CANADIAN PACIFIC RAILWAY

BECAUSE Irrigation makes the farmer independent of rain and insures good crops, not occasionally, but every year. Irrigation makes possible the successful culture of alfalfa, the king of fodders, which insures best returns in dairying and mixed farming.

Irrigation means intensive farming and close settlement with all the advantages of a densely populated agricultural community.

Irrigation in the Canadian Pacific Railway Block is no longer an experiment, the year 1914 having absolutely demonstrated its success wherever intelligently applied. You can buy irrigated land from the Canadian Pacific Railway at prices ranging from \$35 to \$75 per acre, with twenty years to pay and the privilege of a loan of \$2,000.00 for improvements (6% interest); no principal payment at the end of first and second years and no water rental for first year. Assistance is also given in supplying stock in approved instances.

This is the most liberal offer of irrigated farm land on record

HELP YOUR NEIGHBOR TO REGAIN PROSPERITY

What a Nation of Self-Helpers Could do—All Are Interested in the Movement

The Kingston "Whig" had an editorial the other day which contains food for thought for all of us. We are all interested in the early return of prosperity, and if each will work along the lines suggested by the Kingston "Whig," there is no doubt that prosperous times will soon be with us again.

The man that's able to work and is out of work is the kind of man that we are determined to make into a busy producer. This is a problem for practical people. We can't afford to let the problem to the charitable organizations. Canada is a poor land for organized charity. This is no country of shams. It is a land of self-helpers. Suppose that for every man, woman and child in Canada a hundred dollars were spent every year in buying Canadian goods. Total \$400,000,000. This is a mere half as much as the amount of goods turned out by Canadian factories. That eight hundred millions of goods made, means more than \$100,000,000 paid out in wages. Add that \$100,000,000 to the gross amount of money spent for Canadian goods, and you add enough to keep the machine going as well as possible to a peak load. Bear in mind that every dollar spent for Canadian goods adds at least 20 cents to the amount paid in wages. It means at least twenty cents more to spend for goods made in Canada. The man who gets the wages, becomes a partner with the man who buys the goods, to keep up the grant total of goods made by the workers of Canada for Canadians. This is the practical side of self-help. It's the wages paid to the workers that represents the business done in the factories and the prosperity that affects everybody's pocket.

Buying Canadian made goods is not a fad. It's organized common sense. Only foreigners can afford to ignore a policy that means our national prosperity.

BIG STORY, LITTLE TOWN

Concrete Illustration of What the "Made-in-Canada" Idea Means

Some little towns tell big stories about industry. There is one down in Quebec, about thirty miles from Montreal. It's as pretty as a picture and as lively as a Maypole dance, and besides the half-dozen bit-um-factories that help to keep it booming, it has two enormous concerns, each of which spins a story for the average Canadian. One of these marvelous modern factories turns out sewing machines. The patents are held in the United States, but the wages and the profits and the cost of raw materials are paid in Canada. The same machine used to come in over a tariff wall. Now everything about that machine helps that little town to maintain its hundreds of workers. The huge bill of that factory runs into thousands upon thousands a week. When buying a sewing machine it might be easy to get one made abroad. It might be almost as good a machine as that made in the little town on the Quebec River. The reason that great factory was built at a cost of nearly a quarter of a million dollars was to make goods for Canadian homes by paying the wages of labor and the profits of industry to Canadians. It is a monument to the economic good sense of Canadians as expressed in the "Made-in-Canada" idea.

It's as much the duty and to the advantage of every Canadian to buy goods made in Canada as for a Canadian soldier to fight for his own country instead of going over to the enemy.

Buy Canadian Goods

Why should we consume foreign merchandise in this country when our workers make the same goods? If we buy foreign dry goods, foreign hardware, and foreign foods, when we will in Canada be able to supply our own market? Let us then buy as much as possible of goods made in Canada, and we will keep the money in our own country and relieve the distress of the unemployed.

Tide Lake

B. Adams came out to the home-
stead last Monday and expects to
stay sometime.

M. Johnson, C. Adams and J.
Bill were in town last Monday.

J. C. McCall went to town last
Wednesday.

The picnic was a great success
owing to the weather that day on-
ly part of the stunts being pulled
off. First was the fat man's race,
won by Mr. Foster; fat ladies race,
won by Mrs. Larson, from Rainy
Hills; young ladies race, Mrs. Glo-
chenski; girls' race, Hilda Koop-
mann. Next was the trotting race,
Geo. Olson being the winner, and
the riding race, won by T. Grav.
Then came the best of all: the ball
game between Tide Lake team and
Jenour, Tide Lake winning with a
score of 7 to 9. From the ball park
to the schoolhouse where Mr. Mc-
Donald had a short program as-
sisted by the school children, pre-
sented by Mrs. Barry was songs. Then
back to the diamond where Tide
Lake crossed bats with Brutus in a
five inning game: Brutus being the
winners.

There were a number of Carl-
stadt people out to the picnic last
Friday.

Cupnall Hudson, from Parvella,
and assistant, spent the afternoon
and evening at the picnic.

Mr. Sparks and Mr. Bond, of Jen-
nur, attended the dance last Friday
night.

The dance held by the U. F. A.
was a success, and everyone seemed
to enjoy themselves.

Mr. and Mrs. Hogoboom spent
Sunday at the Wile's.

N. Mulligan and R. Clark went
to Brooks one day last week.

(Last week's letter)

R. Clark and family were visiting
at A. Radtke's last Sunday.

The base ball game between Brut-
us and Tide Lake last Saturday
was won by Tide Lake. Score 20
to 10.

Nate Mulligan and V. A. Fos-
ton returned from Richdale last
Monday.

Some of the boys coming home
from the ball game Sunday, went
out of their way getting home. Did
they get lost? how about it boys?

O. Myron was seen out driving
last Sunday.

ISSUER OF MARRIAGE LICENSES

**When Mis-representation is Necessary,
It Proves a Cause to be Un-worthy**
The Calgary Albertan has ignorantly or deliberately mis-represented the Liquor
Act. Read below and satisfy yourself.

Chapter, 89 of the Consolidated Ordinance of 1905, Clause (120):
"When complaint has been made to a Justice that any person by
excessive drinking of liquor, mis-spends, wastes or feigns his estates
or greatly injures his health, or endangers or interrupts the peace
and happiness of his family, the said Justice shall institute proceed-
ings under part LVIII of the Criminal Code of 1892 against such
person and on finding the complaint well founded shall by form J
append hereto forbid any licensed person in the territories to sell
him liquor for the space of two years.
Sub-Section 3 of the same chapter says further that any person know-
ingly supplies such interdict with liquor he is liable to punishment.
Clause 75 of the Liquor Act says: "The Liquor License Ordinance, being chapter
89 of the Consolidated Ordinances of 1905, and all amendments thereto, are
herby annulled."

The Morning Albertan, of Calgary, says editorially on June 12th, 1915: "The
law of interdiction is a very good one. It will remain in force just the same after
prohibition comes in force as before. It will not be very much needed then be-
cause the whiskey traffic will be destroyed. As there will be no legalized places
where liquor can be bought in the Province the chances for the interdicted man to
get liquor will be very greatly lessened, in fact it will be reduced to a vanishing
point."

The Albertan has deliberately made the mis-statement or
else it displays a gross ignorance of the legislation it is
supporting.

C. A. Thomas, the popular U.F.A.
A. walking delegate, has been visit-
ing in the vicinity recently.

The meeting of the Peerless
Union U. F. A. at High Valley
schoolhouse Saturday night was a
gala evening success. The waiting cap-
acity of the school building was
overtaxed and many had to stand.
Several matters of business were
presented to the meeting; the most
important being that of selecting
delegates to the district convention
which have been called by the ex-
ecutive of the U. F. A. for the pur-
pose of deciding if the U. F. A. shall
now enter farmers' candidates in
the coming Federal elections; and
if decided upon in favor, to nomi-
nate a candidate for each constitu-
ency. Considerable enthusiasm was
exhibited and the discussion result-
ed in the nomination of three dele-
gates to attend from Peerless local.

Next meeting of the Peerless
Union will be held Friday evening
June 26th at 7:30 in the Peerless
schoolhouse. Further discussion on
political action by the organized
farmers will be on the order paper.
Twine required will be estimated
and perhaps ordered; so it behooves
each member meeting any; to be
present and give in his requirements

On the last day of school for the
Spring term, June 30th, a program
will be presented in the afternoon
by the Peerless pupils. A most en-
joyable time was spent at this event
last year, and we feel safe in guar-
anteeing as good, or better, time at
